SELANGOR INVESTORS APPRECIATION AWARDS (SIAA) 2025 CELEBRATES INVESTORS IN CONTRIBUTING TO SELANGOR'S ECONOMY

KUALA LUMPUR, 19 NOVEMBER 2026 – The State of Selangor through Invest Selangor Berhad organised its prestigious Selangor Investors Appreciation Awards (SIAA) 2025 Ceremony tonight, celebrating the key domestic and foreign investors that drove the state's massive economic success over the past years.

Selangor delivered a strong investment performance in **2025,** exceeding expectations while advancing several strategic initiatives across key areas of the economy. The State secured RM83.9 billion in approved investments across 2,562 key projects, surpassing its RM65 billion target. Domestic investment contributed RM48.9 billion or 58.3%t of the total, while foreign investment accounted for RM35.0 billion. These investments are expected to generate 61,311 high-value jobs for the people of Selangor.

The positive investment momentum continued into the **first nine months of 2026 (January–September)**, with Selangor recording **RM87.9 billion in approved investments,** surpassing the state's full-year 2026 target of RM80 billion. The state also led nationwide in the number of approved projects, with **1,302 projects and expected to create 34,971 job opportunities**, further supporting economic activity and employment growth in the state. The services sector remained the main contributor, accounting for **RM74.5 billion** of the total approved investments, while the manufacturing sector contributed **RM13.4 billion.**

These achievements reaffirm Selangor's continued appeal to both domestic and international investors and provide a strong foundation for the State to strengthen its industrial capabilities, attract quality investments and create greater economic opportunities in the years ahead.

YBhg. Dato’ Hasan Azhari Hj Idris, Chief Executive Officer of Invest Selangor Berhad, said; “As we look forward, Selangor is actively positioning itself at the leading edge of high-value sectors, particularly semiconductors, digital infrastructure, artificial intelligence and advanced manufacturing. At the same time, we recognise that attracting investments alone is not enough. We must continue to develop a strong and

integrated ecosystem that enables businesses to grow, innovate and compete internationally".

"With ASEAN becoming an increasingly important economic region, Selangor is well-positioned to serve as a strategic gateway for regional investment and business collaboration. Through our international engagements and cross-border initiative like SIBS@ASEAN, we aim to strengthen connections between businesses, facilitate partnerships and create greater opportunities for companies seeking to expand within the region, he added".

The State Government is also advancing the implementation of the Second Selangor Plan (RS-2) 2026–2030, a five-year strategic development blueprint aimed at strengthening Selangor's economic leadership and driving sustainable economic growth. With a target of RM330 billion in cumulative investments, RS-2 places emphasis on five key growth sectors: electrical and electronics (E&E), aerospace, automotive, digital economy and creative economy. In line with this direction, Invest Selangor will continue to play a key role in attracting quality investments, facilitating business expansion and strengthening the state's investment ecosystem to support the successful implementation of RS-2.
