THE SELANGOR AVIATION SHOW 2022 FLY HIGH POST PANDEMIC

SAS 2022 made timely return post- pandemic with RM1.06 billions business deals

SHAH ALAM 30 SEPTEMBER 2022 – The Selangor Aviation Show 2022 (SAS2022) which was held from 8th to 10th of September soared beyond expectations, surpassed the 8,000 visitors target over the three-day event. The three-day show, held across 28,458 sqm saw a crowd of 10,563. SAS also successfully recorded RM 1.06 billions of potential of transaction value during the 3 days event.

This inaugural event managed to assemble a total of 62 exhibitors from 5 countries representing the world's best of aerospace and aviation industries, displaying their exhibits either on the tarmac or in the exhibition booth at the venue. The total number of static aircraft displayed was 30, almost double from last year's SAS 2021. Among the prominent static aircraft exhibits were the FALCON 8X – DASSAULT, B CESSNA CAR V - HM/PA, P.180 AVANTI - KRIS SAKTI and others.

13 Memorandums of Understanding (MOUs) on various aerospace industry sub-sector collaborations were signed during SAS2022. These were between: -
