

FOR IMMEDIATE RELEASE

SELANGOR LAUNCHES SIBS 2025 TO STRENGTHEN ASEAN COLLABORATION

Ninth edition of flagship business summit set for 8–11 October at KLCC

SHAH ALAM, 28 August 2025 - The Selangor State Government today officially launched the Selangor International Business Summit (SIBS) 2025, announcing a stronger focus on regional collaboration, economic resilience and inclusive growth. The four-day summit will take place from 8 to 11 October 2025 at the Kuala Lumpur Convention Centre (KLCC).

Entering its ninth year, SIBS has grown into one of the most prominent platforms for trade, investment, and innovation in the region, strengthening Selangor's role as a key gateway to the South East Asian market.

Speaking at the launch, the Chief Minister of Selangor said that in the face of global uncertainty, regional unity has become more crucial than ever. "We are operating in an increasingly unpredictable global environment. This makes it even more important for ASEAN economies to stand together — united, forward-looking and resilient," he said.

"Selangor is committed to playing a leading role in fostering deeper regional partnerships, both at the government and business levels." The Chief Minister also emphasised Selangor's readiness to act as a subnational driver of economic diplomacy, leveraging its strategic location, modern infrastructure and diversified economy to connect provinces, states and cities across ASEAN.

SIBS 2025 will feature six major event components:

- Selangor International F&B Expo
- Selangor Investment and Industrial Park Expo
- Selangor Smart City and Digital Economy Convention
- Selangor ASEAN Business Conference
- NEW: Selangor Aerospace Summit
- NEW: Selangor International Care Summit

2../

This year marks the debut of the Selangor International Care Summit an initiative led by YB Anfaal Saari, Selangor's Executive Councillor for Women and Family Empowerment and organised by Wanita Berdaya Selangor (WBS). The new component highlights critical issues such as mental health, wellness and ageing — bringing human-centric development into sharper focus.

The Selangor Aerospace Summit also returns this year as an integrated part of the main programme, showcasing Selangor's ambitions to strengthen its position as a national aerospace hub and facilitating cross-sector collaboration with industrial, logistics and digital economy players.

With 70% of planning already completed, the State Government has launched regional promotional efforts across South East Asia and intensified outreach across Malaysia to ensure broad participation. "We encourage business leaders, government agencies, and academia to take part in SIBS 2025 — whether as exhibitors, trade visitors, or conference delegates. It's an opportunity not only to network but to help shape the future direction of the region's economy," the Chief Minister added.

Since its establishment in 2015, SIBS has generated billions in potential trade and investment value, and continues to draw a growing international audience. Beyond the numbers, the summit represents Selangor's long-term commitment to building an inclusive, future-ready and sustainable economy.

SIBS 2025 will be held from 8–11 October 2025 at the Kuala Lumpur Convention Centre. The summit is organised by Invest Selangor Berhad on behalf of the Selangor State Government.
