

The background is a collage of four images: top-left shows a close-up of a building's golden honeycomb-patterned facade; top-right shows a stack of colorful interlocking roof tiles in red, orange, and yellow; bottom-left shows a modern blue building with a glass facade; bottom-right shows a green circuit board pattern. The text 'INVEST SELANGOR' is in the top right, and 'SELANGOR, THE REGIONAL ECONOMIC POWERHOUSE' is in the center.

# INITIATIVES THAT SUPPORT GROWTH

Selangor strengthens the investment journey through strategic state initiatives and Invest Selangor-led programmes that support setup, facilitation, collaboration, and long-term business growth.

## Selangor State Initiatives

---

- 1 Integrated Development Region in South Selangor (IDRISS)**  
Selangor's strategic southern growth corridor, designed to unlock large-scale investment opportunities across Sepang and Kuala Langat
- 2 Managed Industrial Park (MIP)**  
A new benchmark for industrial parks, offering managed, secure, and investment-ready environments for modern businesses
- 3 SPEED Selangor**  
Accelerates development and business approvals through a faster, standardised process across Selangor
- 4 Selangor Soft Landing Programme**  
Supports new and prospective investors with practical assistance to establish their presence smoothly in Selangor
- 5 Selangor Lab Partnership Programme**  
Connects companies with institutions and industry partners to support collaboration and innovation
- 6 Selangor Career Outreach Programme (SCOUT)**  
Bridges students, graduates, and industry players to strengthen Selangor's future-ready talent pipeline

## Invest Selangor Initiatives

---

- 1 Selangor International Business Summit (SIBS)**  
A flagship business platform connecting local and international players with regional market opportunities
- 2 Selangor Investment Facilitation Committee Meeting**  
Coordinates investors with relevant agencies to resolve issues and support smoother project implementation
- 3 Industry Councils and Working Groups**  
Strengthens priority sectors through focused collaboration between industry players, agencies, and key stakeholders
- 4 Invest Selangor Connect**  
A digital directory and business-matching platform that connects investors, SMEs, agencies, and associations
- 5 Business Linkages & Advancement Programme**  
Builds SME competitiveness through capacity-building and investor collaboration
- 6 Mid-Tier Development Programme**  
Supports high-potential local companies with market access and growth opportunities
- 7 Local Business Connect Programme (LBC)**  
Connects SMEs with investors through pitching sessions, business matching, and career engagement

The Choice is **SELANGOR**.
